NALS OF GREATER SEATTLE - Noontime CLE
May 16, 2019 ~ 12:00 to 1:00

**Gathering House Documents in Dissolution,
Probate, Guardianship & Estate Planning Matters**
Speakers: Meredith Conley and Leah Schulz

Meredith Conley and Leah Schulz provide specialized real estate services when property is involved in a dissolution, probate, guardianship or estate planning matter. One of the largest assets most people own is their home. Does your client have all the needed documents and consultations to properly value property involved in these matters? For example, is title to the house clear and marketable? Is the mortgage re-financeable? Does the crawl space exhibit wood-destroying organisms? Is your client a named insured on property, casualty, and title insurance policies? This presentation will help you understand the importance of answering these questions plus when, where and how to get the answers
